2020-12-06 Uncovering the Truth with Rudy
Giuliani & Dr. Maria Ryan - Uncovering Voter
Fraud in Georgia

Plaintiffs' Exhibit

PTX-569

C.A. No. 21-3354 (BAH)

1 DR. MARIA RYAN: Good morning,
2 everyone. How are you doing? Good morning, Mr.
3 Giuliani.

4 MR. RUDY GIULIANI: Good morning, Dr.
5 Ryan. Good to see you. We're together in DC, on
6 a cool but nice day in Washington, DC. Although,
7 the atmosphere weather wise is beautiful, the
8 mood here -- great deal of consternation, a great
9 deal of worry, a great deal of fear about what's
10 going to happen. And maybe we could shed some
11 light on it for the people.

12 DR. MARIA RYAN: Yeah, it's really
13 interesting. People who don't get involved in
14 politics and really haven't been following any of
15 the news, of course, if they're watching certain
16 channels, they don't know what's going on. But
17 all of a sudden, there's a -- people are
18 realizing, wow, there's a lot of -- everybody is
19 calling it irregularities.

20 Hey, let's call a spade a spade.
21 Fraud. People are recognizing that there's a lot
22 of fraud in many states. And we're actually
23 going to talk about that today. Our episode is
24 called stop the steal. But I just want to go
25 over last week's question, which was, should

1 state legislators appoint new electors if they
2 suspect fraud? 91.86 percent of you said yes.
3 And 8.14 percent said no. Last week, we did talk
4 about the, who has control, who really can look
5 at these fraud allegations and do something about
6 it. And clearly the constitution says it is the
7 state legislators.

8 So, certainly, people want them to
9 stand up and do what is right. But Rudy, we were
10 going to talk about -- there's a video going on.
11 There's many videos out there. But there's a
12 video that's on your Twitter, which is
13 @Rudygiuliani. And let, I would like you
14 describe it to the people.

15 MR. RUDY GIULIANI: (indiscernible).
16 If you have Twitter available, I would ask you to
17 go to Twitter, and you'll see the very top thing
18 on Twitter is a podcast about this. And I invite
19 you to listen to it later. It'll describe the
20 whole heist and the way it happened. But if you
21 go down about ten, no, twelve, a little further -
22 - there we are -- it looks like a bunch of little
23 ants walking around. And then a little further
24 down, there's a split screen that has four
25 (indiscernible).

1 DR. MARIA RYAN: (indiscernible).

2 MR. RUDY GIULIANI: So, what is it?

3 It's a security camera. Four security cameras,
4 which they didn't know were in the ballot
5 counting room. So, these very, very crooked
6 democrats --

7 DR. MARIA RYAN: In Georgia.

8 MR. RUDY GIULIANI: -- in Georgia, they
9 began before 8:30 in the morning. At 8:30 in the
10 morning, the woman who you will see take the
11 ballot out originally, at 11:30 at night -- at
12 8:30, she put all the ballots in, under a table,
13 which has a black covering over it. It has a
14 black covering right over it.

15 And the ballots were hidden under there
16 for the whole day. The whole day, the ballots
17 were hidden under there, when the reporters and
18 the inspectors were all in the room. When the
19 reporters and inspectors were thrown out, they
20 waited about a half hour.

21 They checked the room carefully. They
22 locked the doors. And then immediately, she went
23 to the black table that was covered with a cloth,
24 went under it, and pulled a tray out. And the
25 tray seemed to have a guide on it to what was

1 under it. And the immediately, she came over.
2 The two women are involved. The second woman
3 came over and took a basket of, or tray full of
4 ballots. Looks like about 2,000, 3,000 ballots,
5 and brings them to the back, where they can be
6 counted. There was nobody around.

7 And then another woman comes and takes
8 another basket, brings it to another place to be
9 counted. Then another woman, and then a man.
10 They do it all within about four minutes. Nobody
11 there. Nobody watching. Done secretly. You can
12 see at times that ballots are being double
13 counted, being put in a few times.

14 When they tell you there's no evidence
15 of fraud, please, please take this and shove it
16 down their throat. I mean, this is about -- I've
17 never seen anything as clear as stealing votes
18 than this. And the FBI hasn't arrested anybody,
19 hasn't raided anybody, hasn't -- these two women
20 also, there's another tape with them --

21 DR. MARIA RYAN: Yeah, if you go --

22 MR. RUDY GIULIANI: -- involving, using
23 USBs to invade the dominion machines, which is
24 also illegal. I mean, these women are serial
25 criminals. And they just walk around free. You

1 got a new election coming up. They're planning
2 to cheat in that election. The stupid governor
3 won't call a special sessions. Do they liked to
4 be cheated? I mean (indiscernible).

5 DR. MARIA RYAN: This is so egregious.
6 And more and more videos are coming out. And
7 this is by a security film. And we have heard
8 this repeatedly through many states that the GOP
9 or Republican -- they don't even have to be
10 Republican. But if they were definitely not a
11 democrat observer, they were kicked out, they
12 were relegated to a corner.

13 If they asked questions, sometimes they
14 would be escorted out in handcuffs, where the
15 democrat observers would cheer. But this video
16 that Rudy described is so egregious. So, again,
17 just to recap, they kicked out the Republican
18 observers, waited to the media left, some
19 supervisors, and they go under this table. And
20 this is all around.

21 Remember, we were hearing, there was a
22 big leak. Some kind of pipe burst in Georgia.
23 And they had to stop, you know, counting. That
24 was total fabrication. Like there was a little
25 something with a toilet. But they did that so

1 everybody would shut down. It was reported on
2 air. They were shut down. But clearly these
3 people stayed. Hidden ballots were taken out,
4 run through, some were run through again.
5 Listen. And I mean this to the bottom of my
6 heart. If this happened to Biden, even though I
7 am a conservative, I would be deeply concerned.

8 We should all want voter integrity.
9 Joe Biden should be standing up and saying okay,
10 let's investigate everything. We need voter
11 integrity. I do not have a Twitter feed like
12 Rudy. Rudy's got over a million followers. And
13 I'm fairly new to it. But if you go to
14 @MariaryanNH, which stands for the great state of
15 New Hampshire, I too posted yesterday two videos,
16 again from Georgia.

17 But looking at these people who seem to
18 be conspiring to run more ballots over and over
19 again. Why is that? Many great people have
20 stood up and testified and told what they've
21 seen. And data analysts have come forward with
22 all the irregularities. And the reason why we
23 believe this is a conspiracy is because it
24 happened over multiple states. We've always had
25 some fraud in our elections. But never like

1 this, where it seems in multiple states, certain
2 people were told to back date ballots. If it
3 came in on the 5th or 6th, oh no, write the 2nd.
4 And they would be threatened.

5 Where we've had mega, or as the
6 president would say, huge, ballot harvesting,
7 which is illegal in most states, where you go out
8 to nursing homes, and you say oh, I can help you
9 with your ballot. I'll take it in for you. And
10 oftentimes, those ballots are changed. We have
11 the data analysts telling us. What is that term
12 Rudy? Downward -- ?

13 MR. RUDY GIULIANI: Spiral?

14 DR. MARIA RYAN: No. Usually, if --
15 so, President Trump is pretty darn popular. And
16 so, if people usually vote for the President --

17 MR. RUDY GIULIANI: Down ballot.

18 DR. MARIA RYAN: Down ballot. Yeah,
19 yeah, that's it. So, down ballot. There were so
20 many people who allegedly voted for Biden, but
21 Republican all throughout the rest of the ticket.
22 And again, happening in multiple states, which
23 seems very, very odd. So, we have people trying
24 to fight for justice in all --

25 MR. RUDY GIULIANI: They're getting

1 their heads kicked in.

2 DR. MARIA RYAN: Yeah.

3 MR. RUDY GIULIANI: They're getting
4 their heads kicked in and the media is ignoring
5 it. And places like Fox, they (indiscernible).
6 Nobody's debunked this.

7 DR. MARIA RYAN: Nobody's debunked
8 really any part of it.

9 MR. RUDY GIULIANI: The minute it was
10 shown in the Georgia Legislature, one of the
11 democrats said it's been debunked. They had
12 never seen it before.

13 DR. MARIA RYAN: That's the new word to
14 try to fool the American public.

15 MR. RUDY GIULIANI: There's no way you
16 can debunk this. They are literally taking
17 ballots out from under a table in the middle of
18 the night with the doors closed, with the
19 inspectors gone, and counting the ballots. You
20 don't do that if it's honest.

21 You don't throw the inspectors out and
22 do it in the middle of the night if it's honest.
23 Do they think we're stupid? Yes, we are stupid.
24 So, the Republican Legislature in Georgia, thank
25 god, has awakened. Yesterday, they began a

1 petition to have a special session of the Georgia
2 Legislature, December 8th or 10th, I think, in
3 order to vote.

4 DR. MARIA RYAN: Yeah, and that's
5 great. 'Cause they need to come in and really
6 look at what's happening. And my god, I've never
7 seen anything like it. I helped the legal team
8 right after the election for a week, just
9 fielding the call from you, American citizens who
10 are so concerned.

11 Stories how I went to vote, and they
12 told me I already did, or they learned that their
13 dead grandfather voted. Or they saw, they were
14 an observer, and they saw pristine ballots, with
15 just one thing on it, one thing. Nothing else
16 circled. Just for Biden. Pristine.

17 MR. RUDY GIULIANI: I think when you
18 see this, what you are looking at are
19 professional, professional vote thieves. These
20 are people who make it a profession to steal
21 votes and to steal elections. These votes, just
22 in that period of time that you see in this video
23 are enough to turn the election from Trump, from
24 Biden to Trump.

25 DR. MARIA RYAN: Yeah.

1 MR. RUDY GIULIANI: Just this alone.

2 DR. MARIA RYAN: Never mind the
3 illegals.

4 MR. RUDY GIULIANI: Never mind 200,000
5 others, the illegals that voted, the dead people
6 that voted.

7 DR. MARIA RYAN: Yeah.

8 MR. RUDY GIULIANI: The out of state
9 people who voted, the people who voted three
10 times.

11 DR. MARIA RYAN: Yeah. And the
12 allegations.

13 MR. RUDY GIULIANI: The Georgia
14 election was completely out of control. And
15 their Secretary of State, I don't know what he
16 is. And the Governor is frightened. So, the
17 state legislature has stood up and said under the
18 constitution, we have the power. We're taken
19 over.

20 DR. MARIA RYAN: God bless him.

21 MR. RUDY GIULIANI: So, we'll see what
22 they do. Let's see what they do. So, you hang
23 on. And you get ready to give us a call at --

24 DR. MARIA RYAN: 1-800-848-9222, or 1-
25 800-848-WABC.

1 [BREAK]

2 MR. RUDY GIULIANI: This is Rudy
3 Giuliani, back with Dr. Maria Ryan. And we're
4 going to go to the (indiscernible) Foundation
5 Hotline. The (indiscernible) Foundation is
6 honoring America's heroes through the season of
7 hope. Donate now at T2T.org. That's T2T.org.
8 T2T.org. So, why don't we start? Maria, who do
9 you want to pick?

10 DR. MARIA RYAN: Let's pick Judy from
11 Brooklyn.

12 MR. RUDY GIULIANI: Okay.

13 JUDY: Hey, good morning, guys. Thank
14 you so much for taking my call. Okay. So, I
15 want to say that the social and mainstream media
16 and press suppression is a huge problem in
17 getting the truth out to the American people.
18 And Rudy, you're doing a fabulous job. And I
19 really hope with divine intervention, we're going
20 to get through better than ever, and that
21 President Trump will be our president for another
22 four years now, right now. So, I
23 (indiscernible). I have two questions. I hope
24 you can answer them. I'm sure you could. First
25 question is regarding the dominion

1 (indiscernible) machines, now we know they were
2 designed to cheat, with Hugo Chavez and
3 (indiscernible) in Venezuela. We know that they
4 can flip votes. 'Cause they did flip
5 (indiscernible) one machine, from Trump to Biden,
6 6,000 votes from one county or something.

7 MR. RUDY GIULIANI: Correct.

8 DR. MARIA RYAN: Yeah, (indiscernible)
9 County in Michigan.

10 JUDY: Right. And they're also able to
11 be cyber hacked. Okay? So, my question is how
12 many machines were there in all of these
13 democratic states altogether? Plus, is Georgia
14 going to use these machines, which I hope they
15 don't? That's one question. Two, and this
16 question is because I want to educate Bill
17 O'Reilly. Okay? He needs to be educated.
18 'Cause with friends like him, you really don't
19 need enemies. Okay?

20 DR. MARIA RYAN: Okay.

21 JUDY: I heard him say oh, Biden has
22 like a few million votes more than Trump. He'll
23 never catch up. And I'm thinking but that's the
24 point, Bill O'Reilly. There's a problem here.
25 'Cause the numbers don't add up. So, please help

1 me. Okay? Let's go to Donald Trump winning
2 (indiscernible) percent. But how many votes --
3 probably two million ahead, on the night of the
4 3rd. Okay? By the morning, all of a sudden, in
5 the same four swing states -- I'm talking about
6 those four swing states that he was ahead
7 everywhere.

8 MR. RUDY GIULIANI: Right.

9 DR. MARIA RYAN: All of a sudden,
10 according to Bill O'Reilly, Biden has like what,
11 a few million more? How did that happen? And it
12 doesn't make sense, because these four swing
13 states, according to the fraud -- Biden was ahead
14 by, you know, a little bit more. So, how did the
15 millions come in there? It doesn't add up, Mayor
16 Giuliani, and Dr. Ryan. Could you help me on
17 these two questions?

18 MR. RUDY GIULIANI: Sure. I think the
19 videotape can help you more than me. The
20 videotape shows you and O'Reilly how the ballots
21 were made up. They were phony ballots, hidden
22 under tables, brought in in sanitation trucks,
23 brought in in other trucks, (indiscernible) in
24 Michigan, Philadelphia. Here, they hid it under
25 tables. They just stuffed the ballot box.

1 DR. MARIA RYAN: Yeah, there are so
2 many ways this has been accomplished, Judy. And
3 you're so right about this dominion software.
4 It's never been a good software. Texas refused
5 to use it. I don't know why it was pushed on the
6 American people. But I think it's multi-
7 factorial. You know, the dead voted again. We
8 see that in every election, dead people voting,
9 the ballot harvesting.

10 Some people directly cheating, putting
11 in extra ballots. I don't know if people were
12 paid, why they did it. And then there's the
13 dominion software. And I guess you can design it
14 or you can hack it. But you can design
15 algorithms to change votes or suppress votes.
16 The minute we knew that the Democrats are trying
17 to steal this election, I was so concerned that
18 we were just going to go with recounts.

19 Recounts weren't going to tell us
20 anything. So, the same fraudulent ballots for
21 Biden would be counted again. And I believe
22 Trump ballots were destroyed in some cases. So,
23 just in case, people, you know, thinking wow, if
24 there's an audit we better really get rid of some
25 of these votes for Trump. But it is so bad. We

1 need to do something after this, after all this
2 is done, we need to do something to get rid of
3 those dominion voting machines, and to get
4 tighter controls over our elections. I have a
5 lot of people who are first generation Americans,
6 or they themselves have come from other
7 countries. They are bewildered that this can
8 happen in America.

9 And they're very scared that people can
10 buy elections, people can sway elections. And
11 none of us want to see this happen again. But as
12 far as jumping back to your first question about
13 how many machines in Georgia. I'm not quite
14 sure. We do know 32 states are using the
15 dominion software.

16 MR. RUDY GIULIANI: Yeah, some of them
17 use it completely. Some of them use it for part
18 of the state. Like Arizona used it for its
19 biggest county, Maricopa County. Michigan used
20 it for most of Michigan. That's where the big
21 problem took place. The dominion machine is a
22 problem. But the mail in ballots and the way
23 dominion counted them is the real, real problem.
24 The mail in ballots are completely fraud.

25 DR. MARIA RYAN: Yeah.

1 MR. RUDY GIULIANI: I just saw
2 something here. Dekalb County now can't find
3 receipts for about 200,000 absentee ballots.

4 DR. MARIA RYAN: That's right. And I'm
5 sure we will never find them.

6 MR. RUDY GIULIANI: Just came across.
7 (indiscernible) 200,00 ballots. I mean, the
8 state was only 10,000. Those people you see on
9 tape are stealing 50,000 votes. Biden only won
10 by 10,000. I mean, that tape, that tape alone
11 changes the election. So, change it!

12 DR. MARIA RYAN: Yes.

13 MR. RUDY GIULIANI: Have the guts to
14 change it. Let the media go crazy. They'll have
15 to deal with the truth. Oh my god. They'll have
16 to deal with the truth.

17 DR. MARIA RYAN: Yeah.

18 MR. RUDY GIULIANI: (indiscernible).

19 DR. MARIA RYAN: We've got to move
20 forward. But let's go to Joe in the Bronx.

21 JOE: Good morning. I do have an issue
22 with regard to Joe Biden's designate to replace
23 Mike Pompeo as Secretary of State. His name is
24 Tony Blinken. And for those who are not familiar
25 with Tony Blinken, he's basically a point man,

1 that is to say a conduit for organizations,
2 extremist organizations like AIPAC. American
3 Israel Public Affairs Committee. And also for
4 the foundation for the defense of democracy,
5 which is the (indiscernible) thinktank in
6 Washington DC, that's calling for a war with
7 Iran.

8 Now, the question is while Israel
9 definitely has an issue with regards to security,
10 (indiscernible) Iran, is it in the United States
11 best interest to pick a fight, a physical fight
12 with the Islamic Republic. That's the question.
13 And if so, what are the costs that are to be
14 entailed in such a fight. Now, with regard to
15 the first question, does the United States have a
16 vested interest in attacking Iran?

17 I would have to say adamantly, the
18 answer is no, that while it might be a threat to
19 the national security of Israel, that does not
20 imply that that threat is (indiscernible) with
21 American national interest. It's simply not the
22 case. And with regard to the, you know, the
23 joint plan of action, the treaty that actually
24 monitored the Iranian Nuclear Program --

25 DR. MARIA RYAN: Yes.

1 MR. RUDY GIULIANI: -- try to remember
2 the United Nations is inspecting all of the
3 nuclear facilities in Iran right now as we speak,
4 even though the United States pulled out of the
5 treaty under the Trump administration. Their
6 facilities are being monitored. And our
7 intelligence community, as far back as 2011,
8 stated definitively that the Iranian Nuclear
9 Program (indiscernible).

10 MR. RUDY GIULIANI: I think we'll have
11 a disagreement about this, Joe. I don't think
12 much about Tony Blinken either, for other
13 reasons. But I don't think APAC is a radical
14 organization in any sense of the word. Nor do I
15 think America's sole interest, national security
16 interest, with regard to Iran, is Israel.
17 Iranians have killed an awful lot of Americans.

18 DR. MARIA RYAN: Oh my god. They hate
19 us.

20 MR. RUDY GIULIANI: They even attempted
21 to kill me twice. I have kind of a personal
22 interest in it. They've killed a lot of
23 Americans over the years. And they've done a
24 tremendous amount of damage to us by sponsoring
25 terrorism all over the world. And I can't

1 believe that you would have supported that
2 agreement that ended up giving over a billion
3 dollars in cash --

4 DR. MARIA RYAN: Our tax dollars.

5 MR. RUDY GIULIANI: A billion dollars
6 in cash to a terrorist regime?

7 DR. MARIA RYAN: Yeah, that they used
8 on us, weapons on us.

9 MR. RUDY GIULIANI: That's whacky.
10 That's whacky.

11 DR. MARIA RYAN: That's John Kerry,
12 Obama.

13 MR. RUDY GIULIANI: Yeah.

14 DR. MARIA RYAN: But I can say we both,
15 Rudy and I are, know a group of freedom loving
16 Iranians, who told us that was all a sham, that
17 nuclear deal, that things were still happening.
18 It was a piece of paper. That's all it was.

19 MR. RUDY GIULIANI: Well, we'll be back
20 with the (indiscernible) Towers Foundation
21 hotline. And line up. We've got a lot more
22 questions coming.

23 [BREAK]

24 DR. MARIA RYAN: Welcome back to
25 Uncovering The Truth. We are talking about

1 stopping the steal, the mega-evidence. None of
2 it has been debunked. On voter fraud in the
3 presidential election.

4 MR. RUDY GIULIANI: If anything, more
5 and more is mounting. And people are testifying
6 left and right about ballots stolen, ballots
7 brought in trucks to strange places, ballots
8 being filled out in the middle of the night,
9 amounts that clearly implicate the margins
10 between the two candidates. I mean, after all,
11 some of these states are very, very close.

12 Arizona is like 10,000. Wisconsin is
13 about 10,000. Georgia is about 10,000. You
14 know, you fool around with 20,000 votes in an
15 election, the election changes. (indiscernible)
16 Towers Foundation hotline. And Tunnels to Towers
17 Foundation is honoring America's heroes through
18 its season of hope. Donate now at T2T.org.
19 That's T2T.org. T2T.org. And we'll go to Pat in
20 Buffalo, New York.

21 PAT: Hello?

22 DR. MARIA RYAN: Good morning, Pat.

23 MR. RUDY GIULIANI: Pat.

24 PAT: Hi, good morning. Thanks for
25 taking my call. Two things I'd like you to

1 comment on. You know, Rudy, you just said about
2 the trucks in the middle of the night. That's
3 parallel to what we saw with the table, with the
4 black cover. It's the same thing, you know,
5 hidden ballots brought in in the middle of the
6 night when no one is looking. So, maybe you can
7 connect the dots when you talk about that.

8 And I think, I know that you have
9 affidavits to that effect. And I've seen some
10 witnesses testify in different states about that.
11 But if you can get that out there, just like you
12 did with the, you know, that tracker who came
13 from New York, and this table, the black
14 tablecloth, if you can get that out there, these
15 trucks in the middle of the night, and connect
16 the dots, and show that it was in fact systemic,
17 I think that would be really important. But of
18 course, the problem is the mainstream media.

19 DR. MARIA RYAN: Yep.

20 PAT: So, I was thinking maybe you can
21 use (indiscernible), or I don't know what other
22 means you have to get it out there.

23 DR. MARIA RYAN: Oh yeah, she's great.

24 MR. RUDY GIULIANI: She puts it out for
25 us. We'll connect the two (indiscernible). I

1 mean, the reality is that the ballots that were
2 brought in in Pennsylvania were at about 4:00 or
3 4:30 in the morning. There are 100,000 of them.
4 They were in three or four trucks. And there are
5 four witnesses to that. That one is not on
6 videotape.

7 But we have four witnesses, one of whom
8 is a dominion employee, who was disgusted at how
9 dominion cooperated in the fraud. And then of
10 course the one in Atlanta, there are witnesses to
11 it. But then, of course, we have the videotape,
12 which kind of seals the deal. And also, there's
13 a similar, there was a similar infusion of
14 ballots in Pennsylvania that we're trying to get
15 to the bottom of, that may have involved that guy
16 who drove down from New York.

17 But this is something they were doing
18 all over the country, because they had to
19 furiously catch him up, because he was so far --
20 Biden was much further behind that they thought
21 he would be. And they expected to pump in some
22 phony mail ballot votes. They never thought
23 they'd have to pump in 700,000 or 800,000,
24 300,000, 400,000.

25 DR. MARIA RYAN: Yeah.

1 MR. RUDY GIULIANI: I mean, Trump
2 really trashed him. And then they trashed us.

3 DR. MARIA RYAN: There was this great
4 video out there. I think it was actually CNN
5 live, the night of the election. And I forget
6 what state it was. It could have been
7 Pennsylvania. And it had Biden's numbers up
8 there, Trump's numbers up there. While we're all
9 watching TV, you saw numbers taken from Trump and
10 given to Biden. Like that was live on TV. It's
11 crazy.

12 MR. RUDY GIULIANI: I think there was a
13 decision made somewhere -- I don't know who runs
14 this -- that they weren't going to let Trump win.

15 DR. MARIA RYAN: No, I know.

16 MR. RUDY GIULIANI: Big tech, big
17 media.

18 DR. MARIA RYAN: Yep.

19 MR. RUDY GIULIANI: Big business, big
20 democrats.

21 DR. MARIA RYAN: George Soros.

22 MR. RUDY GIULIANI: George Soros.

23 DR. MARIA RYAN: The whole thing.

24 MR. RUDY GIULIANI: Who is --

25 DR. MARIA RYAN: The devil.

1 MR. RUDY GIULIANI: -- got a hand in a
2 lot of this. Man.

3 DR. MARIA RYAN: Yeah.

4 MR. RUDY GIULIANI: I mean, if you
5 think about it, when I sit there and I show
6 people this evidence and I hear them say it's
7 been debunked, it turns my stomach.

8 DR. MARIA RYAN: You know, I want to
9 say something. I don't know if it was a caller
10 today or last week talking about the courts. I
11 have to say, when Rudy went down to Pennsylvania,
12 those judges didn't allow the witnesses to come
13 in. So, when people keep saying oh well, you
14 know, if there's so much fraud, how come there's
15 not been a win in the courts?

16 MR. RUDY GIULIANI: No judge has heard
17 a witness yet.

18 DR. MARIA RYAN: Right.

19 MR. RUDY GIULIANI: The only witnesses
20 have been heard by the legislatures. That's why
21 we had to go to the legislatures. The courts
22 will not let us put witnesses on.

23 DR. MARIA RYAN: So, we have a problem
24 here in America.

25 MR. RUDY GIULIANI: So, how do the

1 judges know when the witnesses are telling the
2 truth or not, when they don't put them on the
3 witness stand?

4 DR. MARIA RYAN: Yeah, so, that's a big
5 thing we need to let people know.

6 MR. RUDY GIULIANI: Let's try Joe in
7 Virginia.

8 JOE: Good morning, Dr. Ryan, and good
9 morning, Mr. Mayor.

10 MR. RUDY GIULIANI: Hey, Joe.

11 JOE: You've done an outstanding job, a
12 (indiscernible) job. Thank you for being the
13 person that's speaking up for America. I have
14 two questions for you. One of them is, we know
15 that according to the constitution, these
16 legislatures have the (indiscernible) power to be
17 able to do what they have to do, as far as the
18 electors are concerned.

19 But being the fact that we have so many
20 wishy-washy Republicans that absolutely hate
21 Donald Trump, (indiscernible) will they indeed do
22 what they are required to do by the constitution?
23 Number one. Number two, given the, that we have
24 a new, another runoff, we have a runoff coming on
25 January 5th --

1 DR. MARIA RYAN: Right.

2 JOE: -- are there enough people that
3 are available that are going to be actual poll
4 watchers, that will not be intimidated, that will
5 not be cased off for that runoff, and actual be
6 seen as being regal, as being proper, and also
7 that the American people will have confidence in
8 the fact that that was both run and done
9 properly?

10 MR. RUDY GIULIANI: Well, you're right
11 about Republicans being afraid. A little bit has
12 to do with the fact that there are some anti-
13 Trump Republicans. But that's a very small
14 number. Trump has 96 percent support among
15 Republicans. It really comes from the fact that
16 they're not as tough as Democrats.

17 They're just not as tough. They don't
18 like street fights. And also, they won't do
19 dishonest things. Which of course, I respect. I
20 don't want them to do dishonest things. But I
21 don't want them to walk away from things that are
22 dishonest, that they have to call out as
23 dishonest, and take the heat for being called
24 liars and whatever --

25 DR. MARIA RYAN: Yeah.

1 MR. RUDY GIULIANI: -- traitors and
2 Nazis. You know, they call me that, it's a badge
3 of honor when they call me that, when people like
4 that call me that. I know why they're doing it.
5 They're doing it because I'm pointing out what
6 crooks they are.

7 DR. MARIA RYAN: Yeah, and they're
8 trying to discredit through all this chaos.

9 MR. RUDY GIULIANI: I don't know where
10 we got all these weaklings in the Republican
11 party. I don't know.

12 DR. MARIA RYAN: You got to stand up
13 for what's right. And I know it's difficult.
14 And I don't want any of your families to be
15 threatened. But if they are, we need to call the
16 police. We need to call the FBI. We need to
17 fight back for truth and justice.

18 MR. RUDY GIULIANI: Might as well get
19 the threats over now and not later. 'Cause they
20 only get worse. When you let this fester --
21 there are going to be threats now, in calling
22 them out on being crooks. Can you imagine what
23 it's going to be like if they're in power for
24 four years or eight years, what it's going to be
25 like to deal with it?

1 DR. MARIA RYAN: Oh my god. Yep. Yep.
2 We'll have no rights at all.

3 MR. RUDY GIULIANI: Read my book.
4 Leadership. Chapter. Stand up to bullies.

5 DR. MARIA RYAN: Very good.

6 MR. RUDY GIULIANI: Paula in Queens.

7 DR. MARIA RYAN: Hello, Paula.

8 PAULA: I have a few points. And I
9 would hope that you would hear me out. Also, I
10 wanted to ask you, Mr. Mayor, is there a way to
11 get in touch with you by email? Or could I send,
12 if I need to, I, 'cause I have a lot to say, a
13 letter to you, by the station?

14 MR. RUDY GIULIANI: Well, you could
15 send it to the station, sure.

16 PAULA: Okay. Okay. One thing, I
17 think is that this should go back to the old
18 lever machines. I think they got rid of those,
19 because they wanted to use this current way of
20 voting because it allows for all this fraud. I
21 think this was part of a scheme. Also, I think
22 that regarding -- there should have been, in all
23 the swing states, there should have been
24 surveillance cameras.

25 DR. MARIA RYAN: Yep.

1 PAULA: We should have made sure to put
2 them in. And we wouldn't be in this predicament
3 now.

4 MR. RUDY GIULIANI: You're right.

5 PAULA: Because we would have had real
6 footage, which would be proof we could take to
7 court. And I think for the runoff in Georgia, we
8 absolutely have to have surveillance cameras
9 there. And we insist on it. There should be a
10 camera. It should be date and timestamped so we
11 can correlate things.

12 And I think there should be a camera in
13 the front of the room, so you can see the whole
14 room, the counters, and what comes in and out of
15 the door. There should be a camera in the back,
16 that you can see the watchers and the counters
17 and whatever irregularities, you could see it on
18 tape. And you could see --

19 DR. MARIA RYAN: Yep, just like in the
20 casinos, right?

21 PAULA: Yeah, and you could see, like
22 if someone is putting one ballot into the machine
23 many times, you could actually see, you know, if
24 they are discarding the envelopes with the dates
25 and the postmarks and the signatures without

1 checking anything, and just, which is like
2 discarding evidence, I would say, which is
3 illegal in itself. And then there should be
4 maybe a camera on overhead, overhead, on top of
5 the counters. And so, you could see the ballots
6 and see what the markings are, and you could see
7 if they're tampering with the ballots, if they're
8 doing markings, or doing something to make it
9 invalid, especially if it's for Trump.

10 And I think that there should be maybe
11 people from the board of elections, or whoever
12 sends the Republican poll watchers, in the room.
13 Because if any of this happens again, and they
14 can't get help, or they're escorted out in
15 handcuffs, which is a disgrace, that something
16 could be done and affected at the moment on the
17 spot. Not have to wait.

18 You don't take out binoculars. You go
19 and call for help. You take out a phone. So,
20 somebody needs to be there to oversee all this.
21 And I think too they should expand the criteria
22 for the absentee ballots to include people who
23 are afraid to come vote in person, because
24 they're afraid of catching the COVID virus. And
25 that this would lessen the need for mail-in

1 ballots. At least that part of the population
2 wouldn't have that excuse. So, (indiscernible)
3 extenuating circumstances with the pandemic. So,
4 I think that the absentee ballot criteria should
5 be expanded to include them.

6 MR. RUDY GIULIANI: Well, I agree with
7 everything but probably the last part, expanding
8 the absentee ballot. I think that the expansion
9 of the mail in ballot is part of the problem
10 here. Particularly, it wasn't accompanied by
11 very strict procedures for security, so that each
12 one of them, each ballot was examined by a
13 Republican and a Democrat.

14 And that actually became the way in
15 which the Democrats were able to cheat, by taking
16 the number of -- for example, in Georgia, four
17 years ago, there were 450 absentee ballots. This
18 time, there were 1.8 million. So, think about
19 that. Right?

20 That's a lot more to cheat with. The
21 450, there was 6.5 percent rejection rate. 1.8
22 million, there was a .2 percent rejection rate,
23 which means 450,000 ballots, they rejected six
24 and a half percent. 1.8 million, they rejected
25 none. Right?

1 DR. MARIA RYAN: Yeah.

2 MR. RUDY GIULIANI: None. So, yeah,
3 you can have absentee ballots. But you better
4 have a heck of a security system. Because
5 absentee ballots, in the words of every expert on
6 voting, including Jimmy Carter, Baker, Justice
7 Suder, textbooks on voting, is the most prone to
8 fraud of any other form of voting. And boy, we
9 showed it this time.

10 DR. MARIA RYAN: Yeah.

11 MR. RUDY GIULIANI: We really, really
12 showed it this time.

13 DR. MARIA RYAN: I do hope Georgia is
14 taking a lot of precautions and heeds your
15 advice, Paula. I do know that Stacy Abram's non-
16 profit group, where she has raised a lot of
17 money, is being investigated. She has made
18 statements, like she has got 600,000 ballots
19 ready to go. What does that mean?

20 Some people have interpreted that she
21 is encouraging people to move into Georgia for a
22 limited time, just to vote. But it is being
23 investigated. And I call on the FBI, Department
24 of Justice to take a hard look at all these
25 allegations.

1 MR. RUDY GIULIANI: Yeah, and also, how
2 about everybody has to have a photo ID when they
3 vote?

4 DR. MARIA RYAN: Yeah, why not? We
5 have to have a photo ID when we fly, everything
6 else.

7 MR. RUDY GIULIANI: Everybody,
8 everybody, everybody.

9 [BREAK]

10 MR. RUDY GIULIANI: Well, now it's time
11 for our closing arguments, which is brought to
12 you by Global Security Solutions, for all of your
13 security and investigative needs. When you need
14 results, globalsecuritysolutions.com. Well, this
15 has been a very, very interesting and very
16 important show.

17 I've never seen such evidence of voter
18 fraud, never believed it was this extensive. I
19 always knew it happened. I always knew the Times
20 minimize it. I always knew the Times minimized
21 it.

22 But I never realized it was as
23 extensive as this. Maria, would you, the
24 question for today is should Georgia award the
25 election, the Georgia Legislature award the

1 election to Trump? And I'll have Maria give the
2 closing argument. And you know, then you vote at
3 WABCradio.com.

4 DR. MARIA RYAN: Mm hmm.

5 MR. RUDY GIULIANI: Until Wednesday
6 night.

7 DR. MARIA RYAN: Yes. Well, let's look
8 at what we have in Georgia, and in many other
9 states. But we're talking about Georgia right
10 now, a state that President Trump has done very
11 well in. He's really popular. And look at the
12 evidence that the people -- this isn't Donald
13 Trump making it up.

14 This isn't Rudy Giuliani making it up.
15 The people are crying out for us to look at what
16 went on in Georgia. There are several videos.
17 Look at Twitter, @Rudygiuliani. Look at that
18 video he described earlier. @mariaryanNH. Look
19 at additional videos, all in Georgia. The fact
20 that there were so many pristine ballots -- they
21 weren't folded to go in an envelope.

22 Almost like they were brought in in
23 stacks that had Biden only. Look at the rate in
24 some of the analytics that have gone on in the
25 Georgia and other state elections, on the

1 variabilities and where we had spikes. So, when
2 President Trump was ahead, we could see, in the
3 middle of the night, 4:00 AM, a large spike of
4 votes, all of a sudden went to Biden. So, there
5 is a multitude of evidence in Georgia. Recounts,
6 don't work, as I said earlier. You could be
7 recounting the same fraudulent ballots. And if
8 President Trump ballots were destroyed, we can't
9 find them again.

10 So, there needs to be forensic audits,
11 etcetera. But time is running out. So, who has
12 the power? Who did the constitution say has the
13 power? And that is the state legislature. So,
14 it is up to you to weigh in on that. Should
15 Georgia award the election to Trump. Yes or no?
16 WABCradio.com.

17 MR. RUDY GIULIANI: And if you agree
18 with that, write to the Georgia Legislature.

19 DR. MARIA RYAN: We need your help.

20 MR. RUDY GIULIANI: Yeah. And write to
21 the Arizona Legislature. And write to the
22 Michigan Legislature.

23 DR. MARIA RYAN: Yep.

24 MR. RUDY GIULIANI: And write to the
25 Wisconsin and Pennsylvania Legislature. And tell

1 the Republicans, you know, wake up. You know,
2 like in the godfather, when the godfather gets
3 the singer and he slaps him across the face.

4 DR. MARIA RYAN: Oh yeah.

5 MR. RUDY GIULIANI: Be a man! Be a
6 man! Man, I sat there in a couple of these
7 hearings. And the Democrats were animals.
8 Republicans were (indiscernible). Man, I don't
9 want us to be like that. I really don't. But I
10 don't want us to be not taken advantage of.

11 DR. MARIA RYAN: Right.

12 MR. RUDY GIULIANI: And I don't want to
13 see our people taken advantage of. I've put
14 witnesses on the stand who had to be protected by
15 the police.

16 DR. MARIA RYAN: That's terrible, Rudy.

17 MR. RUDY GIULIANI: The Republican
18 party should come to their aid now, should back
19 them up, not let them swing out there in the
20 wind. I mean, we've got a lot to learn about
21 loyalty, if we want to be a great political
22 party.

23 DR. MARIA RYAN: So, encourage your
24 neighbors. Yep. Encourage your neighbors.

25 MR. RUDY GIULIANI: Please.

1 DR. MARIA RYAN: Write to those
2 legislators.

3 MR. RUDY GIULIANI: Yes.

4 DR. MARIA RYAN: Call the FBI. Call
5 the DOJ. We, as a people, have power. But we
6 got to stick together for truth and justice.

7 MR. RUDY GIULIANI: And we have a big,
8 big obstacle to climb, where this media
9 censorship, and the media iron curtain of
10 silence. And the media, lying, the constant
11 propaganda. There's this thing about debunked,
12 debunked, debunked, debunked. Everything I've
13 ever heard debunked, never got investigated.

14 DR. MARIA RYAN: Yeah.

15 MR. RUDY GIULIANI: How can you debunk
16 something --

17 DR. MARIA RYAN: It's trying to fool.

18 MR. RUDY GIULIANI: How can you debunk
19 a witness if you don't listen to them?

20 DR. MARIA RYAN: It's trying to fool
21 the American public, like all the information on
22 Joe Biden getting money through his son.

23 MR. RUDY GIULIANI: One judge wrote the
24 evidence was debunked. He never saw a witness.
25 How was it debunked?

1 DR. MARIA RYAN: We have big problems.

2 MR. RUDY GIULIANI: In his mind? Well,
3 it's going to be a very, very important week.
4 Georgia, hopefully, is going to take action.
5 There's a good chance that there will be action
6 in Michigan and Arizona as well, and Wisconsin.
7 So, we may be looking at a somewhat different
8 election next Sunday. Let's see.

9 We are very, very hopeful of that.
10 It's, you know, it's not, none of these things
11 are sure. All of these things are very, very
12 close. Because people are very, very worried.
13 They get threatened. They get ridiculous things
14 said to them about what's going to happen to
15 their careers. There are some very, very brave
16 people.

17 Bert Jones, William Lipin in Georgia
18 have been like tremendous, tremendous heroes.
19 They're the ones who started the petition drive.
20 I think they were pointed out last night by
21 President Trump. We have similar heroes all
22 throughout the country. I'll mention them, you
23 know, as we move along during the week. But
24 right now, our focus is on Georgia. So, if you
25 can make a call, or write a letter to the Georgia

1 Legislature, you'll do yourself and you'll do
2 your country a favor. Right?

3 DR. MARIA RYAN: Yep. That's right,
4 Rudy. And you've been on the forefront of
5 standing up for the American people and for truth
6 and justice. I mentioned this last week. You
7 had really put yourself out there. Anyways, very
8 good.

9 MR. RUDY GIULIANI: Closing arguments
10 have been brought to you by Global Security
11 Solutions. For all of our security needs and
12 investigative needs, when you need results,
13 Global Security Solutions. And when you need a
14 closing argument, go to Dr. Maria Ryan. 'Cause
15 she's the best.

16 DR. MARIA RYAN: Very good. Thank you
17 all for joining us.

18 MR. RUDY GIULIANI: Thank you and have
19 a great week. God bless you, and I'll see you
20 during the week. Okay? We'll take this up
21 during the week. We'll have plenty to talk about
22 I'm sure. God bless America.
